Dear Mr. Nick Crudale and Committee,

I am eager to be applying for the Supervisor position for the URI Campus Recreation department. I believe that I am the right candidate for this job due to my passion for sports, along with my excellent standing with the program to this point as a Game Manager and Official. I believe that my experience, work ethic and effective time management will allow me to excel in this difficult role, and continue to grow as a student, and more importantly as a person in the program.

If there is one thing that I have learned through my experience working with Intramural Sports and my time at URI so far, it is to accept the challenge. As a double major, an employee on campus and a basketball official in the state of Rhode Island, I have been faced with some extremely long and challenging days. However, my drive to be the best version of myself has propelled me through these situations, and has allowed me to grow as a person. I am also an eager and agile learner, as my recent positions of Game Manager and Official have propelled my skills of conflict resolution and management to an adequate level, which gives me necessary experience for the supervisor position.

I appreciate your time and consideration and look forward to hearing from you and your staff soon.

Sincerely,

Evan O'Neill
